1978 Editorial Index

Die Casting — **Month/Page**

35 years of die casting coverage ..... Oct. 23
ADCI: The first fifty years ..... Oct. 21
Die casters predict $5-billion year ..... Nov. 54
Die Casting Engineers' Exposition/Congress is expanded ..... Sept. 107
Die castings offer versatility and durability for furniture hardware ..... Feb. 44
Die castings play big role in building hardware .. July 25
Die cast zinc helps keep fittings liquid-tight .... June 22
Ferrous die casting becomes a production tool ..... Feb. 46
Fluxless melting/automatic metering cuts Mg die casters' costs, boosts productivity ..... Feb. 27
Hardware firm uses die casting for elegant fixture designs ..... July 29
Master Directory of custom die casters ..... Jan. 13
Master Directory of die casting materials and equipment ..... Jan. 99
Materials/Processing Show features die casting theme center ..... July 38
Materials Show Die Casting Center offers design freedom ..... Oct. 32
Product weight problem? Try a diet of magnesium die castings ..... June 16
SDCE expo space is more than 90% reserved ... Nov. 54
SDCE-79 will be the Society's largest of the 1970's ..... Dec. 34
Strong door bolt made with zinc die castings ... July 28
Student ideas for die cast zinc marine hardware ..... June 47
Suppliers will meet producers at SDCE-79 ..... Oct. 56
The growing die caster with products from Al to Zn ..... May 21
Thin wall die casting wins ..... Aug. 14
Update on a production die casting shot control ..... Mar. 39
Using water-glycol hydraulic fluids for die casting ..... Mar. 42
Zinc die casting helps stop shoplifters ..... May 39
Zinc die castings add realism, detail to popular board games ..... Mar. 51

Extrusion — **Month/Page**

Aluminum Extruders Council reviews trends, markets & future developments ..... Nov. 53
Aluminum extruders study new projects ..... Dec. 33
Extruded aluminum window frames save energy in two ways ..... Feb. 44
Extruder makes ideas work ..... Feb. 23
Extruder markets new mini-plate ..... May 39
Magnesium extrusion plays role in projectile ... June 28
Master Directory of custom extruders and drawers ..... Jan. 34
Master Directory of extrusion materials and equipment ..... Jan. 134
Seven extrusion plants give single extruder full process capabilities ..... Aug. 25
The development of an automated aluminum extrusion system ..... Mar. 30
The rectangle is the shape of a winner ..... Aug. 11
The year's seven best extrusion designs ..... Apr. 49

Forging — **Month/Page**

Aluminum forgings in large diesel tractor ..... June 22
Bolt firm saves by resistance heating ..... Dec. 29
Brass forgings play important part in sports equipment ..... Dec. 30
Brass forgings produce gleaming decorative home fixtures ..... July 28
Ceramic fiber insulation saves energy in the forge furnace: Part II ..... Feb. 47
Cost-cutting possibilities with custom-formed parts ..... Sept. 103
Electric upsetting speeds forging production ... Mar. 25
FIA founds formal die design school ..... May 48
Forged aluminum aids "trolley car" comeback .. May 42
Forged brass impeller replaces casting, reduces machining costs ..... Mar. 53
Forging technologies of the twenty-first century ..... Nov. 40
Forging versatility shown by different types of guns ..... July 31
Guidelines for selecting forging steel bars .... Sept. 110
Jet engine forgings are made from high temperature alloys ..... Oct. 58
Largest ammunition plant upgrades billet shearing ..... May 52
Master Directory of custom forgers ..... Jan. 44
Master Directory of forging materials and equipment ..... Jan. 140
ODFI fall meeting finds roundtables popular .... Nov. 53
Piping systems producer turns to induction heating ..... May 29
Porosity eliminated, cost reduced ..... Aug. 14
Refractory fiber modules cut forge heating costs ..... May 56
Strand casting and cold extrusion team up to make a better bumper ..... Feb. 42
Technical aspects of forward cold extrusion .... Feb. 31
The cost advantages of seamless ring rolling ... Apr. 79
The forging industry tackles the energy crunch ..... May 35
Titanium forging process cuts costs, expands markets ..... June 37

Investment Casting — **Month/Page**

Be-Ni alloys offer new properties for investment castings ..... Apr. 84
Depleted uranium finds uses in investment cast parts ..... Mar. 48
Investment cast dies aid odor controller's effectiveness ..... July 31
Investment cast dies make miniature cars look real ..... May 40
Investment casting for accurate components, demanding markets ..... Mar. 36
Investment casting meets standards for nuclear reactor main housing ..... Mar. 51

Investment casting meets tough specs at lower-than-fabricated cost ..... Feb. 42
Light, strong housing excels ..... Aug. 15
Magnesium casting serves jet fighter ..... June 25
Master Directory of custom investment casters .. Jan. 56
Master Directory of investment casting materials and equipment ..... Jan. 175
New economies and properties with investment cast ductile iron: Part I ..... July 33
New economies and properties with investment cast ductile iron: Part II ..... Aug. 19
New economies and properties with investment cast ductile iron: Part III ..... Nov. 47

Powder Metallurgy **Month/Page**

Assuring reliability of P/M structural parts ..... Sept. 98
Continuous-feed vibrator cuts P/M finishing costs ..... July 36
Master Directory of custom P/M parts producers ..... Jan. 76
Master Directory of powder metallurgy materials and equipment ..... Jan. 193
P/M design cuts parts, time and cost for lawnmower manufacturer ..... Oct. 65
P/M design winners replaced parts made from other manufacturing techniques ..... Aug. 33
P/M gear saves money, lasts longer ..... May 42
P/M part lasts longer, costs less ..... Feb. 45
P/M stainless steel parts pass corrosion tests ... July 29
Reprocessing saves material, reduces P/M parts cost ..... Oct. 63
Small P/M parts are big business ..... Mar. 55
Stainless P/M insert for valve handles ..... June 28
Tougher brass powder cuts P/M parts cost ..... Oct. 51
Turbine hub chosen for economy ..... Aug. 15
Winning student papers explore six facets of P/M ..... Apr. 90
Wrought pin lets P/M part meet specs ..... Mar. 47

Roll Forming **Month/Page**

Continuous roll form circles yield motorcycle fenders ..... May 43
Glass transition forming saves painting costs ... Nov. 69
Helicopter rotor is roll formed ..... Aug. 16
High technology meets tube bending ..... Dec. 17
Master Directory of custom roll formers ..... Jan. 84
Master Directory of roll forming materials and equipment ..... Jan. 213
Maximize roll forming productivity with flying dies: Part I ..... May 45
Maximize roll forming productivity with flying dies: Part II ..... June 33
Maximize roll forming productivity with flying dies: Part III ..... Oct. 53
Production/inventory costs cut by roll forming .. Feb. 43
Roll formed steel outperforms wood in housing construction ..... July 20
Roll forming makes millions of TV trays annually ..... June 29
Steel garage door builder roll forms unique panel joints ..... July 22
The endless applications for tubular shapes: Part I ..... Nov. 56
The endless applications for tubular shapes: Part II ..... Dec. 25
The rolled zinc alternative for architectural designs and more ..... July 15
Three different zinc coatings are used by roll former ..... Apr. 73
Tomorrow's rail vehicle from today's technologies ..... Oct. 36

All processes **Month/Page**

1978 Custom Producers Showcase ..... Apr. 25
1978 Materials & Processing Show and Congress ..... Oct. 42
1978 State of the Industry Report ..... Nov. 21
1978/79 Technical Literature File ..... Sept. 25
136 useful ideas ..... Jan. 236
"High Temperature Fatigue in Engineering Alloys" featured at Materials and Processing Congress ..... Sept. 108
Master Directory of custom producers ..... Jan. 13
Master Directory of materials, equipment & services ..... Jan. 99
Materials Conference Program ..... Oct. 44
Materials & Processing Congress preliminary program announced ..... Aug. 37

Buyers' File **Month/Page**

Custom open die forgers ..... Mar. 65
Custom producers ..... Apr. 94
Energy conservation equipment ..... Dec. 37
Equipment for testing and inspecting ..... Feb. 48
Finishing materials and equipment ..... Aug. 41
Forge plant energy savers ..... May 60
Magnesium sources ..... June 48
Material handling equipment ..... July 41
Metal forming equipment show ..... Sept. 113
Metals & alloys ..... Nov. 60
Tooling equipment and materials ..... Oct. 71

Miscellaneous **Month/Page**

Building products firm uses many metalforming processes ..... July 26
Galvanized steel provides rust protection for energy-saving furnaces ..... Dec. 30
Make EDM electrodes faster and for less ..... Dec. 23
Master Directory of custom permanent and split mold casters ..... Jan. 64
Master Directory of permanent & split mold casting materials and equipment ..... Jan. 189
Master Directory of plant & process supplies ... Jan. 222
Minicomputers switch to wire ..... Aug. 16
Plaster mold casting solves short run production problems ..... Mar. 47
Shaped steel wire offers users production savings ..... June 43
Students design marketable consumer products in zinc ..... Apr. 43
Two manuals on fuel saving offered ..... Feb. 50
